RE January 17, 2008, City Council Hearing - Request for Postponement of
agenda item #49 – Amendment of Urban Renewal Plan

Dear Paul

By this letter, we are requesting a postponement of the hearing on the above-referenced case. We represent a property owner within the area subject to the proposed amendment. We did not receive notice of this item and happened to notice it incidental to the 12th Street NCCD – thus the late nature of our request for postponement. We are requesting this postponement so that we may meet with City staff and the neighborhood to discuss these issues and to determine if there is a mutually acceptable agreement we can come to regarding our client's property.

Given the affected neighborhoods' schedule of meeting once a month, we request that the item be postponed for 60 days. Thank you for consideration of this request. Please contact me if you have any questions.

Sincerely,

Alison Gardner
